Bee Keeping Wire Mesh

Anping Web Wire Mesh Co.,Ltd.

Woven Wire Mesh For Bee Keeping

Introduction

Woven wire mesh is ideal for bee keeping mesh, the screen helping minimize the varroa mite from bee hives, it keeps out bees, but allows varroa mites to fall through, provide them climb back up and parasitic in another bee. With an added benefit that the wire mesh provides essential ventilation for the bee hive.

In addition, woven wire mesh can be also used at the entrance of pollen traps, because it allows worker passage but knocks off many of the pollen loads.

Products

- Stainless steel wire mesh
- Aluminum wire mesh
- Copper wire mesh
